

Training Course

“Non Formal Space for Education”

20-27 July, 2014

Costesti, Chisinau, Republic of Moldova

Action 3.1 , Youth in Action Programme

Participation Form

The TC aims to develop the capacities of 30 youth workers coming from 10 Programme and EECA countries, in the area of non-formal education and its usage in the field of youth. Participants will get acquainted with the principles, concept and implementation of non-formal education and its place and usage in the educational systems of participating countries. They will have the possibility to explore different methods by putting them into practice and also create new once that further can be used in the youth work and address different social issues of an European concern. The quality in regard to non formal education and training will be an issue to be explore while getting familiar with different documents and recommendations brought by European institutions. The TC will offer a platform for understanding and exploring the non-formal education as a tool for developing the creative thinking, promoting healthy life style through the outdoor activities and increasing the sense of innovation and entrepreneurship.
