

Training Course
“Non formal Space for Education”
20-27 July, 2014
Costesti, Chisinau, Republic of Moldova
Action 3.1 , Youth in Action Programme

ABOUT THE TRAINING COURSE

The TC aims to develop the capacities of 30 youth workers coming from 10 Programme and EECA countries, in the area of non-formal education and its usage in the field of youth. Participants will get acquainted with the principles, concept and implementation of non-formal education and its place and usage in the educational systems of participating countries. They will have the possibility to explore different methods by putting them into practice and also create new ones that further can be used in the youth work and address different social issues of a European concern. The quality in regard to non-formal education and training will be an issue to be explored while getting familiar with different documents and recommendations brought by European institutions. The TC will offer a platform for understanding and exploring the non-formal education as a tool for developing creative thinking, promoting a healthy life style through outdoor activities and increasing the sense of innovation and entrepreneurship.

Objectives:

- To define and explore the NFE and Lifelong learning into the context of the educational system
- To explore NFE values and principles as part of quality criteria
- To introduce participants to NFE methods and tools and put them into action while addressing issues of European concern
- To explore the learning path while developing personal competences
- To develop creative and out-of-the-box thinking
- To exchange best practices within the YiA Programme and other youth-related programmes
- To develop project ideas and settle cooperation between Programme and EECA region countries.

WHAT TO BRINGMMMMM

For **Intercultural Night** – you are requested to bring things (buckets, music, food, drinks) that represent your country and your own identity. We do believe that you have a lot of things to say, show and share – so don't be lazy to take them in Moldova.

For **Organizations' presentation** – it will be nice if you can bring something touchable but the most important is to get sure you have enough information to present your organization. (P.S. Get sure you know what your organization is all about)

For **Yourself** – if you have special needs please be sure you are taking them with you.

For **All of Us** – take your good mood, energy, motivation and be ready for a great project!!!

We hope that this info pack is useful for you and answers your questions, but if something is not clear, you have extra questions or you just want to contact us, here are our details:
